

# For Perfectionists Only

Perfection, like beauty, is in the eye of the beholder (or the ear of the listener, for that matter). Which is why SHARP make a range of radio/cassette recorders to suit different people's needs ... perfectly.

If you decide your particular kind of perfection is the powerful SHARP GF9191 AC/DC Portable Stereo Cassette Tape Recorder with 11W output, FM/MW/SW/LW 4-band radio, with APSS (Sharp's unique Automatic Programme Search System) and many other features, you'll know you're getting perfectly good value at around £249.95. Or there's the SHARP GF9090 with the same superb features, but with slightly less output, at around £229.95.

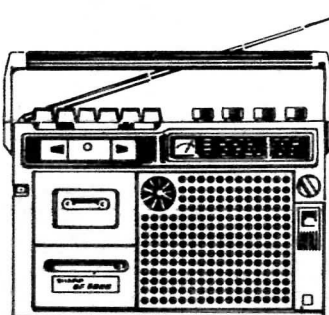

One of these Sharp Radio/Cassette Recorders is perfect for you

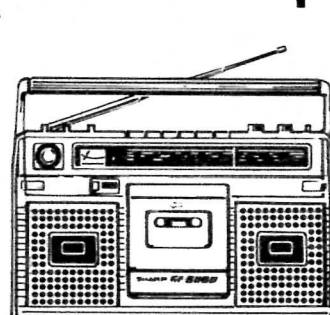

**GF 1754**—LW/MW/FM Radio / Cassette Battery / Mains with built-in mic. £49.95

**GF 2800**—LW/MW/FM Radio / Cassette with APSS Battery / Mains with mic. mixing option £74.95

**GF 6000**—4-band (LW/MW/SW/FM) Radio / Cassette with APSS Battery / Mains with 7w output and many exclusive features £126.95

**GF 8080**—3-band Stereo Radio & Cassette with APSS Battery / Mains with powerful output £155.95
