

# GOT AN EXPENSIVE HABIT?

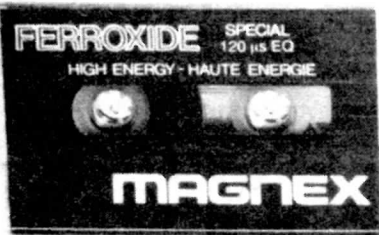

So, you use Cassettes. Probably made in Taiwan or Japan or Korea or somewhere. You probably believe they're the best (Or you wouldn't use them). Well . . . O.K. . . . Some of them aren't bad. But they're EXPENSIVE. (It's a long way from Bangkok to Birmingham. And there's heavy Import Duty to pay. And you're paying it!). Now, let us point you to a sensible alternative. MAGNEX.

It's new. It's European — so no duties. The cassettes are all up-to-the-minute High Technology products. Prices are unbelievable. (But true!). You can start to break the expensive Oriental habit today with MAGNEX by using the special coupon on this page. From personal stereo to mega sound system, MAGNEX has the right cassette for you. Who knows you might become addicted to getting value for money.
