

The latest in a long line of quality tapes at W.H. Smith.

The Memorex C90 normal bias is the latest addition to our range of high quality tapes.

You'd normally pay £1.10 for each tape so, at £1.99 for a special pack of two, they're right in line with the value you'd expect from W.H. Smith. So look out for the twin packs and stock up on top value cassettes.

But a word of warning. At prices like this you may have to stand in line!
