WALL TO WALL, OR EAR TO EAR.

Whether you enjoy sitting in a room full of music, or being out and about with your head in the clouds. Sanyo have complete personal stereo systems that allow you to do both.

Stylish combinations like the Sanyo MG18 personal stereo cassette player and the Sanyo B10 extension speakers.

With auto reverse, Dolby,* metal tape facility, twin volume control, mute switch and tone control, the compact MG18 is one of the best sounds on the street.

And by simply plugging it into the exclusive mains driven B10 extension speakers, the MG18 converts from a personal stereo into a powerful 15 watts per channel music system.

But the real beauty of the B10's is that any one of Sanyo's range of personal stereos can operate through them.

A range from as little as £24.95 to £99.95, some with metal tape and Dolby,* others with AM/FM stereo tuner packs and some with their own speakers for a less personal, personal stereo.

So if you're into personal stereo, get wise...
